# Siebels Gladiolus Gardens

Box 1072, Washougal, Wash.

Phone TEmple 4-5621

We are happy to bring you our 1958 edition of our Gladiolus catalog.

We wish to thank all those who ordered last year and know that they had a successful year. We hope this year is equally successful.

This year, plan to attend as many of the glad shows in your particular area as possible. Visiting or exhibiting, they are a source of satisfaction and pleasure.

The following dates will help you plan your planting schedule:

June 21, 22: Western International Glad Show  
Los Angeles, California  
August 3: Portland Gladiolus Society  
Oregonian Hostess House  
Portland, Oregon  
August 16, 17: Oregon State Glad Show  
High School Auditorium  
Mill City, Oregon

The following are the 1958 introductions from Dirk Kroon:

## **DONDI (316)** Betty Duncan x Marionette—

Slightly rippling Orange Salmon Buff with deep rose blotching plus some yellow at base of blotch. Height 40 inches. Slender whip-like stock, 18 buds with 7 to 8 open at once. Bulblets will germinate with ease from either old or young stock. Received the AMERICAN HOME ACHIEVEMENT AWARD at the Pacific International Gladiolus Show at Grants Pass, Oregon, 1957. Very nice for the home.

## **TAMMY (240)** Wedgewood x Peter Pan

Very pretty, quite ruffled miniature. Color is Medium Pink, shading to light salmon with a blending light yellow throat. Height 34 inches, 16 buds with 6 open at once. From medium sized bulbs and larger, spikes will have two well extended side shoots which makes it ideal for home and tablework.

Price of above two: Large size, each \$1.00; Medium, .75; 12 Bulblets, \$1.00  
UNIT: 1 Large, 1 Medium and 1 Small plus 10 Bulblets, \$3.00  
1 Bulb each Dondi and Tammy: Large, \$1.75; medium, \$1.50; small, \$1.00  
24 Bulblets (12 Dondi - 12 Tammy), \$1.75  
2 UNITS of any combination, \$5.00

## **PURPLE QUEEN (470)**

This is a well proportioned slightly ruffled purple with a bit of bluish spot in the throat. Height 50 inches, 20 buds of which 7 open at once.

PRICE: Large or Medium, .50 each; 3 medium for \$1.00

The following are Dirk Kroon's introductions for 1956 which we are again listing separately:

## **FALINE (310)**

A very beautiful round flaring medium yellow with deeper blending yellow throat. Slightly ruffled with 8 open on a well balanced formal 40 inch spike. Very healthy. Grand Champion spike at Pacific International, Grants Pass, Ore., 1957.

## **THE MAD HATTER (360)**

Color is a light rose fusing to a cream throat, carries extra long flower-heads of which seven are open at once. Very healthy and vigorous grower.

## **MERRY MIRTH (311)**

Color light to medium yellow with a flashy red orange blotch for added make up. Healthy, formal placement, rapid propagator, makes this an outstanding introduction.

PRICE: All three 1956 introductions priced the same.

Large: .35 each . . . 10 for \$3.00  
Medium: .25 each . . . 10 for \$2.00

## **ADDED ATTRACTION !**

**SEEDLING 291 D 82 (462) Kroon—**  
This is a self rose throughout.

## **SEEDLING 476 D 91 (360) Kroon—**

This is an unusual smoky in a class of its own.

Both of these outstanding seedlings will be given as extras. Two each on orders of \$5.00 from the retail list and four each on orders of \$10.00 from the retail list.

## **PLEASE READ CAREFULLY BEFORE ORDERING**

All orders of \$3.00 or more will be shipped prepaid. Orders must be accompanied by cash in full, or 25% deposit will hold orders of \$5.00 or more for April delivery. Balance to be sent prior to delivery. We guarantee all bulbs purchased from us to be true to name, full size and free of

disease. We cannot guarantee the crop you grow because there are too many conditions over which we have no control once you plant the bulbs. Our bulbs are State Inspected and personally inspected at digging and shipping time.

## **NO C.O.D. ORDERS PLEASE.**

Washington customers must include 3½% State Sales Tax.

## *All-America Beauties*

★ EASY TO GROW      ★ HEALTHY      ★ TESTED

These are the selections of the All-America Gladiolus Trial Gardens, and are the cream of the crop. They are sure to grow and bloom for YOU! In the picture above, they are, from left to right, EMPEROR, APPLEBLOSSOM, ROYAL STEWART, MAYTIME AND CARIBBEAN.

**Uniform low bulb prices and cultural directions on other side. Every genuine bulb is packaged with the registered AAGS trademark.**

A few select florists have been licensed to offer cut flowers of the All Americas for sale. Each dozen bears the variety name with the AAGS trademark on the tag. Ask for them!!!

Printed in USA

The thirty-five All-America Trial Garden locations (see map) are in every type of soil and climate. Recommendation by this non-profit, industry-wide organization is recognized as the most coveted award for any gladiolus. Every variety tested is rated on thirteen specific traits: Color Value, Freedom from Short Heads, Floret Form, Substance, Facing & Placement, Attachment, Freedom from Weathering, Opening & Keeping Qualities, Individuality, Freedom from Crooking, Foliage Health, Husk & Bulb Health, Propagation. **EMPEROR** is the 1958 winner, and is now available with **ROYAL STEWART**, **APPLEBLOSSOM**, **MAYTIME** and **CARIBBEAN**.

All-America varieties are all protected by U.S. plant patents and sold at uniform low prices—the lowest ever for new, quality introductions. Even if you have not been successful with glads before, try the All-Americas. They are *different*.

**CULTURE:** AAGS recommends these steps for growing glads: (1) Open package at once and store bulb in cool dry place. (2) Plant at intervals of 10 days from last killing frost. Early plantings can stand moderate frost. (3) Plant in open sunny place, in bed or row, and in any well-drained soil. (4) Plant bulbs 5 inches deep, at least 4 inches apart. Use any good commercial fertilizer, but do not put it in

contact with the bulb. (5) Glads like plenty of water, especially when bud is forming. (6) When cutting, leave 4 leaves to mature the bulb. (7) Thrips are insect pests of glads. For complete control, use DDT dust or spray every 10 days. (8) Some growers soak bulbs in Lysol solution for 2 hours before planting and plant wet. Use  $1\frac{1}{4}$  teaspoons Lysol to 1 gallon water.

**PRICE:** \$.50 each, \$5.00 per dozen (any combination) or one of each variety for \$2.25.

**EMPEROR** (Pl. Pat. Pending) is a robust grower, royal purple with light throat. A rich, distinctive color. Makes majestic spikes that grow very tall.

**ROYAL STEWART** (Pl. Pat. 1339) is a he-man red, straight and with 8-10 open at once. An outstanding winner of top Awards.

**MAYTIME** (Pl. Pat. 1591) is a real stunning pink with white throat. Delightful for arrangements. Ruffled and healthy. Remarkably easy to grow.

**CARIBBEAN** (Pl. Pat. Pending) is a light blue with throat of cream and white. Sparkling color, ruffled. A top performer in every way.

**APPLEBLOSSOM** (Pl. Pat. 1517) is white with rose-pink edges—a real beauty. An easy grower that performs excellently with only average culture.
